ACADEMIC DETAILS

Year	Degree/Exam	Institute	GPA/Marks(%)
Aug 2024 – Present	B.Tech in Computer Science	Graphic Era Hill University, Dehradun	8.15/10.0
2024	12th, C.B.S.E	RPS Public School	83.17%
2022	10th, C.B.S.E	RPS Public School	82.83%

PROJECTS

- **Sign Language to Text and Speech Conversion** (Python, OpenCV, Machine Learning, Text-to-Speech): Developed a real-time sign language recognition system that converts hand gestures into text and speech using computer vision and machine learning techniques.
- **Hostel Issue Reporting System** (HTML, CSS, JavaScript, MySQL): Designed and developed a web-based complaint management platform that allows students to report, track and manage hostel-related issues efficiently.
- **Smart Online Rental System** (C++, Data Structures): Built a rental property management system with efficient storage, retrieval and search operations for managing rental listings and customer records.
- **University Timetable Management System** (C, Data Structures, File Handling): Developed an automated timetable scheduling system for managing course schedules, faculty assignments and classroom allocation.

TECHNICAL SKILLS

- **Languages:** C, C++, Java, Python, SQL
- **Core Subjects:** Data Structures, Algorithms, Object Oriented Programming, DBMS, Operating Systems
- **Developer Tools:** Git, GitHub, VS Code
- **Operating Systems:** Windows, Linux

CERTIFICATIONS & COURSES

- AWS Skill Builder Courses (AWS Cloud, EC2, IAM, CloudFormation, Redshift, AWS CLI and Machine Learning)
- Introduction to Cyber Security
- Participated in coding competitions, technical workshops and hackathons

LEADERSHIP & ACTIVITIES

- Led project teams in the development of academic software projects, coordinating planning, task allocation and implementation.
- Participated in technical workshops, coding competitions and hackathons to enhance problem-solving and development skills.
- Developed multiple academic and personal software projects using C, C++, Python, JavaScript and database technologies.
